

SEMI-AUTOMATIC

Intex SA90BGHG

The Intex SA90BGHG wins the Best Semi-Automatic thanks to its massive 9kg drum. It comes with Aqua Brush and Scrubber Technology for tough stains, 3 dedicated wash programmes, a rust-free body with toughened glass lids, and a noise-free spin system.

STACKABLE

LG WashTower (FWT1310BG)

The LG WashTower FWT1310BG wins thanks to its space-saving unibody design that packs 13kg washing and 10kg drying into one single unit. The advanced AI Direct Drive technology helps with smart fabric care, while the Dual Inverter Heat Pump dryer and a centralised touch control panel make everyday life easier.

TELEVISION

Bigger and smarter screens with richer visuals, built for entertainment

OLED TV

LG OLED G6 Series TV OLED65G6PLA

The LG OLED G6 combines its latest OLED evo panel with the Alpha 11 AI Processor Gen3, delivering higher brightness, Reflection Free Premium technology, and accurate blacks and colours. Dolby Vision, Dolby Atmos, and up to 165Hz VRR complete a flagship home entertainment package.

MINI LED TV

Haier M92 Series OLED TV H65M92FUX

The Haier M92 stands out with its QD Mini LED panel, combining high brightness with precise local dimming for excellent contrast and HDR performance. The AI Ultra Sense Processor and KEF-tuned 2.1-channel speakers make it an equally compelling choice for films and sports.
