

WALL-MOUNT

Livpure Lotier Smart Water Purifier

Livpure proves smart purification doesn't have to cost a premium. The Lotier combines AloT-enabled monitoring, advanced 10-stage purification, copper and alkaline enrichment, and an unmatched 30-month free service warranty, delivering exceptional long-term value well beyond its price.

WALL-MOUNT

Native by Urban Company M2 Pro

Urban Company redefines reliability by eliminating the frequent upkeep typical of standard systems. The M2 Pro stands out with its exceptional two-year filter longevity, comprehensive 10-stage RO+UV+UF+MTDS filtration, and integrated smart sensors that track water quality in real-time for total assurance.

VACUUM CLEANER

Cleaning that leaves nothing behind

ROBOTIC VACUUM CLEANER

Dreame L50s Pro Ultra

Dreame sets the benchmark for automated home cleaning. With class-leading 30,000Pa suction, 100°C ThermoHub mop self-cleaning, intelligent obstacle avoidance for over 220 object types and a fully automated PowerDock, the L50s Pro Ultra delivers truly hands-free cleaning with exceptional precision.

ROBOTIC FLOOR VACUUM

Milagrow iMap G5 Eco Robot Vacuum

Milagrow proves advanced floor cleaning doesn't have to come at a premium. The iMap G5 Eco combines 14,000Pa suction, RT²R 4.0 LiDAR navigation, a self-emptying dock and 270-minute battery life, delivering flagship-level performance at an exceptional value.
