

FREESTANDING DISHWASHER

Midea MDWPF1301

The Midea MDWPF1301 is one the most pocket friendly yet smart dishwashers. It packs 13 place settings, a punchy 72°C intensive wash for greasy Indian cookware. It even comes with app control, proving that smart dishwashing doesn't always require the flagship price tag.

MICROWAVES

No flame, endless ways to rescue dinner

BEST CONVECTION/GRILL

Samsung MC32B7382QC/TL Convection Microwave

This is the convection oven the rest of the category gets measured against. A single 1500W Wide Grill heater blankets 99% of the cavity for edge-to-edge browning, even convection heat keeps bakes and roasts consistent top to bottom, and SmartThings with voice control lets you run the whole show from your phone.

CONVECTION/GRILL MICROWAVE

LG 32L Charcoal Convection Microwave (MJEN326UHF)

Nothing else in this category gives you this much for the money. The MJEN326UHF walks away with 431 auto-cook menus, 70% of them built for Indian kitchens, a real working WiFi connection, and a price tag under ₹30,000.

BEST SOLO MICROWAVE

LG MS3032BK 30L Solo Microwave

The easy winner of the solo category. The MS3032BK turns more of its body into usable cooking space than anything else on the list, its 900W output simply outmuscles the competition, and LG's i-Wave system keeps every reheat even from edge to center.
