

STOCKS

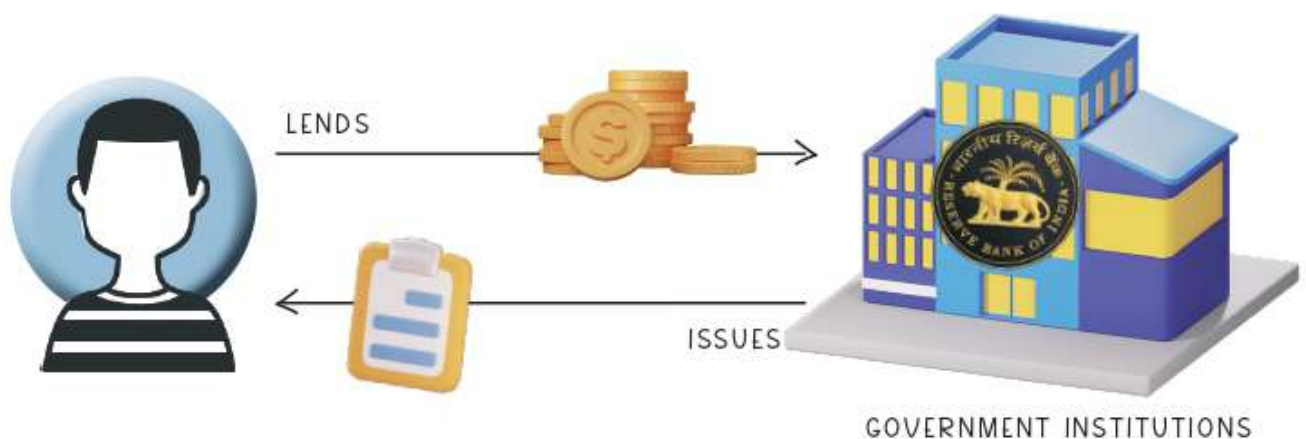

Stocks of any corporation consist of shares of the ownership of the company like RELIANCE, TCS, IDEA, IDFCFIRSTB, TATASTEEL, BHEL, COAL INDIA, VOLTAS, etc.

BONDS

By issuing bonds a company borrows money from us. Think of bonds as an FD with govt. (Treasury-bond) or any other institution or corporation, which as a bond instrument can be traded in the market as well.

These are less heard of by retail investors since they are used by more institutional or more sophisticated investors.

A DOCUMENT THAT CERTIFIES THAT YOU HAVE LENT AMOUNT X TO A PARTICULAR COMPANY, GOVERNMENT, OR INSTITUTION (RBI, NABARD, ETC.).
