

12 > Productivity & Office Tools

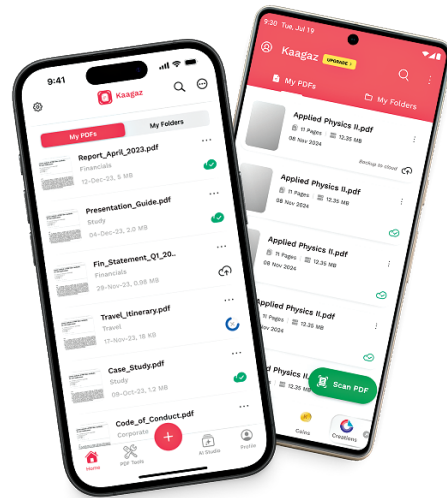

3. Customize Landing Page with your branding and invitation links.

3. Office utilities: Scanners, PDFs, and more

Kaagaz Scanner: Ad-Free document scanning

Kaagaz Scanner, by Ordenado Labs, ranks among India's top PDF scanner apps with 30 million+ users and a 4.2★ rating on the App Store. It offers:

- No Ads, No Watermarks
- Auto-edge Detection & Perspective Correction
- **Multiple Filters:** B&W, Magic Colour, Grayscale
- **PDF Tools:** Merge, Split, Compress, Convert JPG ↔ PDF
- **Cloud Sync** (premium) & 100 MB free Kaagaz Cloud storage

Scanning and organizing documents

1. **Open Kaagaz Scanner** → tap Camera → align document → auto-detect edges and Capture.
2. **Enhance:** Apply filters, adjust brightness/contrast.
3. **Save:** Tap Save → choose PDF or JPG, name file, and select folder.
4. **Share:** Use the Share icon to send via email or upload to Google Drive/Dropbox.

AIR Scanner: Secure on-device scanning

Developed by IIT Bombay students, AIR Scanner ensures all

scans remain on your device – no sign-in or cloud backup, guaranteeing complete privacy. It includes an AI-powered Reading Assistant that reads scanned text aloud and provides word meanings in 40 languages.

Using AIR scanner

1. **Install** from Play Store → no registration required.
2. **Scan:** Tap New Scan, frame document, and Capture.
3. **Organize:** Create folders in local storage, move scans accordingly.

QUICK SUMMARY OF ALL THE OFFICE PRODUCTIVITY APPS

Here's a quick reference table summarizing the key Indian productivity and office tools covered in this chapter:

App	Category	Key Features	Free Tier	Example Use
Zoho Workplace (Writer, Sheet, Show, Mail, Cliq)	Productivity Suite	Fully integrated office apps with real-time collaboration, comment threads, custom domain email	Free for up to 25 users; 5 GB/user	Co-author and review a project proposal document
JioMeet	Video Conferencing	Unlimited free meetings up to 24 hrs, HD audio/video, screen sharing, multilingual invites	Unlimited calls; supports up to 100 participants per meeting	Host a remote team stand-up or client webinar
Flock	Team Chat & Collaboration	Channels & direct messaging, built-in to-dos, 50+ app integrations (Drive, GitHub, Trello)	Free tier with unlimited messages and integrations	Create a “#marketing” channel and assign tasks to team
Kaagaz Scanner	Document Scanner	Ad-free PDF scanning, auto-edge detection, filters, merge/split/compress PDF tools	Completely free; no watermarks or ads	Scan and share expense receipts as searchable PDFs
Zoho Notebook	Note-Taking	Card-based notes (text, checklist, audio, photo), cross-device sync, one-tap Evernote import	Free with unlimited notes	Organize meeting minutes and set reminder alerts
