4. **Assist:** Select a portion of text → tap Read or Define to hear or see meanings.

4. Note-Taking & Task Management

Zoho Notebook: Visual, cross-device notes

Zoho Notebook offers a unique Note Card system – Text, Checklist, Audio, Photo cards – arranged in customizable Notebooks with hand-drawn covers. It syncs seamlessly across iOS, Android, Mac, Windows, and Linux, and can migrate your Evernote notes in one tap Zoho Corporation Zoho.

Creating and organizing notes

1. **Download & Sign In:** Get the app from <https://www.zoho.com/notebook/> and sign in with your Zoho account.
2. **Create Notebook:** Tap + Notebook, name it (“Work”, “Ideas”), and choose a cover.
3. **Add Note Cards:**
 - **Text Card:** Tap Text, type your note, and Save.
 - **Checklist Card:** Tap Checklist → enter items → toggle checkboxes.
 - **Audio Card:** Tap Audio → record voice memos.
 - **Photo Card:** Tap Photo → capture or select images.
4. **Group Cards:** Pinch two cards together to form a stack – ideal for related ideas.
5. **Reminders & Tags:** Set time-based or location-based reminders; tag cards for quick searches.

TaskOPad & Zoho Projects: Indian task management

For structured task tracking and Kanban boards, consider:

- **Zoho Projects:** Offers task lists, milestones, Gantt charts, and timesheets, integrated with Zoho Invoice for billing – perfect for small businesses.
- **TaskOPad:** A homegrown SaaS optimized for Indian SMEs, providing collaborative task lists, project templates, and real-time notifications to keep teams aligned.

Migrating from international tools

1. **Export Data:** In Google Tasks/Trello, export tasks as CSV or JSON.
2. **Import into Zoho Projects:** In Projects → Settings → Data Migration, upload CSV to map tasks, users, and timelines.
3. **Set Up Billing:** Use Zoho Invoice (GST-compliant and MyGov-recognized) to link tasks to invoices – ideal for freelancers and consultancies.

This chapter has equipped you with step-by-step guides to migrate day-to-day work into India's thriving app ecosystem. From document creation in Zoho Workplace, to unlimited video conferencing with JioMeet, to ad-free scanning on mobile, and visual note-taking via Notebook, you now have a complete toolkit to replace or complement global software with robust, localized alternatives. By embracing these Made-in-India solutions, you not only streamline your workflow but also support self-reliance in the digital realm – empowering yourself and contributing to the growth of India's technology landscape.
