

- Assign support cards like Chariot Charge or Mystic Blessing for strategic advantage.

3. Campaign Mode

- Progress through a roguelite story, battling mythic foes in procedurally generated maps.
- Between battles, choose blessings from gods like Indra or Saraswati to buff future runs.

4. PvP Ladder

- Compete in daily ranked matches, climbing tiers from Vilager to Emperor.
- Use Season Pass rewards to unlock exclusive cards and cosmetics.

Kurukshetra's blend of strategy and mythology offers both players and developers a blueprint for culturally anchored, global-quality games.

4. Sports & Casual Titles

Real Cricket (Series)

Real Cricket, by Pune's Nautilus Mobile, has been delivering robust cricket simulations since Real Cricket 15, culminating in Real Cricket 24 with over 500 million downloads worldwide. Its acclaim includes multiple International CRICKET GAME Awards for best gameplay realism and graphics.

Getting on-field

1. Install & Set Up

- Download Real Cricket 24 on Google Play or App Store.
- Grant Storage and Location permissions for custom pitch conditions and regional commentary.

2. Match Modes

- **Quick Match:** Jump into a One-Over or T10 game.
- **Career Mode:** Guide your custom cricketer from debut to legend across Test, ODI, and T20 formats.
- **Multiplayer:** Play Head-to-Head online and form clans with friends.

3. Controls & Customization

- Swipe to bat (timing essential), tap to bowl (choose pace/spin), and swipe/hold for fielding.
 - Customize team kits, logos, and player looks using in-app editors.
- With periodic content updates synchronized with international series, Real Cricket™ keeps fans engaged year-round.

Hitwicket Superstars

Hitwicket Superstars, co-founded by Kashyap Reddy and Keerti Singh in Hyderabad, won the PM's AatmaNirbhar Bharat App Innovation Challenge (Games) in August 2020. This fantasy-cricket RPG combines team management with arcade-style on-field play, designed to capture the "strategic essence" of cricket.

Gameplay walkthrough

1. Download & Sign Up

- Install Hitwicket Superstars from Google Play.
- Register with email or social login; create your "Franchise" name.

2. Team Building

- Draft a squad of 11 players from various countries, each with unique stats (e.g., Lara's Power Hit, Kohli's Consistency).

3. Matchday Action

- Participate in league matches and knockout cups, controlling batting and bowling with intuitive taps.
- Level up players through training drills and skill cards earned in daily quests.

4. Community & Rewards

- Join Clans to share strategies; earn Weekly MVP badges and in-game currency for top performers.
- By merging management sim depth with arcade thrills, Hitwicket appeals to both strategic and casual players.

Casual Fun: Carrom pool and colouring games

- Carrom Pool – Disc King: Created by Bengaluru's Moonfrog Labs, this digital adaptation of the beloved board game boasts 50+ million downloads and cross-platform matches. Players flick stock with precision, practicing spin shots and rebounds to sink discs in corner pockets.
