

surviving output is almost unfailingly high in quality. His four symphonies and four concertos are mainstays of the orchestral repertoire; his two dozen chamber works, for various combinations of instruments, are almost all acknowledged masterpieces; his solo piano pieces, ranging from powerful sonatas to exquisite miniatures, are much loved; his German Requiem is one of the most popular of all choral pieces; and as a songwriter he had a gift for melody that perhaps ranks second only to Schubert's. He never wrote an opera.

BRAHMS'S BIRTHPLACE

Brahms was born in this building in the
