

internships and
apprenticeships,

the work–life
balance you would
like in your life,

you will find the job that
is right for you!

your grades and GPA
in college,

and where you live
now (and where you
would like to live).

and lots of hard work
and dedication,

your grades in
high school,

your future
financial goals,

But with a desire to
challenge yourself,

your after-school jobs,
