

GET EXPERIENCE

Try to land an internship or apprenticeship in your chosen field. This will give you an excellent opportunity to talk to employees.

**START NETWORKING**

Contact employers to see if they run open houses. Use social networks to connect with companies online.

**TRAINING AND LEARNING**

Do as much research as you can to find out what qualifications you will need to enter a particular career.

**BECOME A VOLUNTEER**

Offer your time to a company, nonprofit, or other organization. By doing so, you will make valuable contacts.

**RESEARCH EMPLOYERS**

Find out everything there is to know about the biggest employers in your chosen sector.

**BUILD AN ONLINE BRAND**

Set up, and actively manage, profiles on networking sites, such as LinkedIn and industry-specific sites.
