Experienced manager ★★★☆☆

INDUSTRY PROFILE

Many opportunities available across a wide range of organizations • More jobs resulting from the growth in online retail • Customer service skills in high demand • Target-driven work

CAREER PATHS

Most people begin their careers as customer service assistants, learning on the job by dealing directly with clients. With experience they can progress into supervisory and then managerial roles. Customer service managers are employed in businesses such as retail, telecommunications, and financial services, as well as in government roles.

ASSISTANT You can begin your career as an assistant without a college degree. Employers will provide training on products and services, as well as on customer service procedures and protocols.

GRADUATE If you have an undergraduate degree in a subject such as business or management, you can start as a trainee customer service manager with a large corporation.

SENIOR CUSTOMER SERVICE MANAGER Develops policies, procedures, and staff training programs to improve customer service standards across the business.

CUSTOMER SERVICE MANAGER Experience is crucial if you want to move up the ladder in your organization. In bigger companies, you can progress into one of several specializations or move up into a more senior role.
