

SELECT AN APPROPRIATE BANK SELECT THE TENURE

3

For instance, we have checked Axis Bank's 1 year FD rate which turns out to be 5.15%. Similarly, we will do the same exercise to find out the FD rates offered by different banks. We should check out the FD rates of those banks that are located near your home.

Some banks offer these services via third-party apps as well. However, mainly these are done by visiting bank branches or via bank app on the phone.
