

HOW TO SELECT?

For instance, we did go through one of the accident covers. Going through the brochure, we came across the following benefits of the policy-

-  **DEATH -**
100% of Sum Insured
-  **PERMANENT TOTAL DISABILITY -**
125% of Sum Insured
-  **PERMANENT PARTIAL DISABILITY -**
As per the table
-  **TEMPORARY TOTAL DISABILITY -**
Rs.5000 or 1% of Sum Insured
-  **MEDICAL EXPENSES**

We have already covered medical insurance and death-related expenses in health insurance and life insurance. So, here we can remove these benefits over the call and get our premium reduced significantly. This is how we select accident cover.

It is relatively one of the simpler forms of insurance. We must make sure that our accident insurance is in place if our family depends on our income. To buy the same, we will have to buy it via the company's website only. There is no marketplace for it and the agents are hardly interested in selling this.
