

TRIAL 3

If we invest INR 5,000 every month, the total value comes up to INR 5,45,092. This exceeds the amount that we need. So, we will decrease our monthly investment.

TRIAL 4

If we invest INR 4,000 every month, the total value comes up to INR 4,36,074. This is closer to the amount that we need. So, we will decrease our monthly investment.
