Customizable Excel Workbook for Screener Users

Prithvi Exchange - Excel

1	How to use it?													
2														
3	You can customize this workbook as you want.													
4	You can add custom formatting, add conditional formatting, add your own formulas... do ANYTHING.													
5	Please don't edit the "Data Sheet" only.													
6														
7	After customization, you can upload this back on Screener.													
8	Upload on: https://www.screener.in/excel/													
9														
10	Download your customized workbooks now onwards.													
11	Now whenever you will "Export to excel" from Screener, it will export your customized file.													
12														
13														
14	TESTING:													
15	This is a testing feature currently.													
16	You can report any formula errors on the worksheet at: support@screener.in													
17														
18														
19
