

>> toe tap/march

9 Standing with feet apart and knees slightly turned out, tap the toes of one foot on the floor to the side. As you tap, curl your arms at the elbow, alternating arms. Repeat for a total of 16 reps, then change feet and repeat for a total of 16 reps.

10 Standing on one foot, raise the other knee to waist-height. At the same time, raise the opposite arm. March on the spot, raising opposite knees and arms together. Repeat for a total of 16 reps.
