

>> rocking horse/side-dig swing

15 Starting with both feet together and hands on hips, step forward onto one foot and bend the other leg behind at the knee. Rock slightly onto the front leg. Step the back leg down, raise the front leg and rock slightly onto the back leg. Repeat the forward and back rocking motion for a total of 8 reps. Change sides and repeat for a total of 8 reps. Repeat Step 11.

16 Starting with both feet together and arms in front of you at chest-height with elbows bent, step to one side. As you step, open the arms to the sides, elbows still bent. Bring the feet and arms together, then step to the other side and open the arms again. Repeat, alternating sides, for a total of 8 reps.
