

>> jog/cross-country ski

- 17** Curling the opposite arm to the lifted knee, jog in place, raising your heels toward your buttocks. Make sure your heels touch the ground every time you land. Repeat for a total of 16 reps.

- 18** Standing on one leg, take the arm on the same side up and forward and take the other leg behind. The other arm stays by your side. Keeping the knees bent, change sides. Repeat, alternating sides, for a total of 4 reps. Make sure you work from your center, keeping your tummy pulled in for good balance.

Repeat Step 11, then Steps 9–12, then Step 11 again, then Steps 13–15, then Step 11 again, then Steps 16–18, then Step 11 again, then Steps 9–12, then Step 11 again, then Steps 13–15, then Step 11 again, then Steps 16–18, and finally, Step 11 again.
