

>> heel-dig pump/side-dig swing

17

Starting with feet together, dig one heel forward and raise the toes. Curl the opposite arm to shoulder-height. Repeat, alternating sides, for a total of 16 reps.

18

Starting with feet together, step to one side, opening both arms out to the sides at chest-height. Return that foot to center, bending your arms and crossing them in front of your body at waist-height, then repeat to the other side. Repeat, alternating sides, for a total of 8 reps.

Repeat Step 9, then Steps 10-12, then Step 9, then Steps 13-15, then Step 9, then Steps 16-18, then Step 9, then Steps 10-12 again, and finally, Step 9 again.
