

>> march/3-in-1 stretch 1

169

- 19 Standing on one foot, raise the other knee to hip-height. At the same time, raise the opposite arm. March in place, raising opposite knees and arms. Repeat for a total of 24 reps.

- 20 Keeping both toes pointing forward, take one leg behind you, and bend the front knee. Clasp your hands in front and raise your arms toward your ears as you lower your head. You should feel a stretch in your upper back, neck, and calf.
