

>> double side step 1

199

- 11 Place the hands on the hips and step sideways with the right foot. Step the left foot in to meet the right and then step sideways with the right foot again. Bring the left foot in again to meet the right, this time touching the toes to the floor next to the right foot.

- 12 Repeat, starting with the left foot stepping to the left side. Let the hips rise and fall with the movement of the feet. Repeat Steps 11 and 12 for a total of 4 reps.
