

# >> salsa 2/cross forward 2

15 Repeat Salsa 1 (Steps 5, inset, and 6) twice, then start to raise the arms slowly to the side, making a circle with the wrists as the right leg steps forward and back. Continue raising the arms and circling the wrists as you step the left leg forward and back. The arms should be high, with the wrists circling as the right leg steps back and in, and should be overhead as the left leg steps back. Drop the arms by your side as you step the left leg in. Repeat.
