

>> side lunge 2/salsa 3

19 Repeat Side lunge 1 (Steps 13, inset, and 14) for 4 reps, then bring your arms down. Repeat the Side lunge but, as you rock up onto the toes on the right, bring the right arm across the body so the elbow is parallel to the floor and the hand is by the face. Make a small circle with the wrist and hand. Bring the arm down as the foot comes back to center.

Repeat on the other side (shown here), alternating sides for 4 reps.

20 Repeat Salsa 2 (Step 15, inset) twice, then, on the 3rd repeat, as you step the right leg forward, bend the left arm by the left ear and make a small circle with the wrist. Bring the right leg back underneath you and the arm down, and make a small jump. Repeat with the left leg forward

and the right arm, then repeat on the back.

Repeat Salsa 3 one more time.
