

>> hamstring curls 2/forward & back 2

15 Repeat Hamstring curls 1 (Steps 5, inset, and 6) for 8 reps, then bend your knees, step on your right foot and swing both arms toward your hips. As your left knee bends behind you, swing your left arm to the left and your right arm in front of you. Repeat on the other side (shown here), then alternate sides for a total of 8 reps.

16 Repeat Forward & back 1 (Steps 7, inset, and 8) for 4 reps, then, on the 5th rep, as you walk forward, circle the arms forward, overhead, then sideways. As you touch the left foot next to the right, cross the arms at the wrists in front. As you walk backward, reverse the arm circle, starting to the side. Do a total of 4 reps.
