

>> hip side to side/head looks

3 Relax your arms by your sides and softly bend your knees. Lift your right hip directly to the right side and let your left hip sink toward the floor. Bring your hips back to center and repeat on the other side (inset). Repeat, alternating sides, for a total of 8 reps.

4 Straighten your knees and lengthen through the top of your head toward the ceiling. Look over your right shoulder. Bring your head back to center, then look over your left shoulder (inset). Repeat for 4 reps.

keep the shoulders open
