7 Still keeping your hands on your hips, cross your left foot in front of your right foot and step on it.

8 Bring your right foot out to the side, touch the toes of your right foot on the floor, and bring your right shoulder slightly forward. Repeat Steps 7 and 8 on the other side, then do another rep moving forward. Now do a further 2 reps moving backward, then 2 more reps forward, and 2 more reps backward, making a total of 8 reps.

the hips stay still as the feet move
