

>> ball change 2/cross touch 2

15 Repeat Ball change 1 (Steps 5, inset, and 6) for 4 reps, then reach your left arm up to the ceiling and your right arm to the side as you cross your left foot back. Lift your right foot, then place it back down. Bring your arms down as you bring your left foot to meet the right. Go to the other side (shown here), then repeat, alternating sides for 4 reps.

16 Repeat Cross touch 1 (Steps 7, inset, and 8) for 8 reps, then cross your left foot in front of your right. Touch your right toes to the right and transfer your weight long enough to lift your left foot off the floor and place it back down. Now bend your right knee across your body and take your left hand to the raised knee. Cross your right foot in front of your left to repeat on the other side (shown here). Do a total of 4 reps.
