

>> side bends/head looks

247

3 Keep your feet on the floor, hip-width apart and parallel to each other. Starting from the top of your head, slowly bend directly sideways to your right. Let your left hand slide up to your ribs as your right hand slides down toward your knee. Come back to center and repeat on the other side. Do 2 reps.

4 Straighten your knees and lengthen through the top of your head toward the ceiling. Look over your right shoulder. Bring your head back to center, then look over your left shoulder. Do 4 reps.
