

>> thigh sweep

9 Take your arms overhead on the floor and bend your top knee backward. Hold the wrist on the side of the bent leg, then inhale and slowly pull your wrist out and beyond your head as you roll backward toward the floor. Do not force it, and modify the position of the knee if you find it uncomfortable.

10 Exhale, tuck your pelvis under, pull your wrist again, and roll to face forward toward the floor. Repeat, inhaling as you roll backward and exhaling as you roll forward.
