## IN DETAIL

### ◁ HIGH COLLAR

A stand-up collar runs seamlessly into a neckline that closes high above the breast before continuing down in a long, crisp sweep to the top press-stud. This suggestion of femininity is partly offset by the masculine look of the padded shoulders.

### ◁ RAGLAN SLEEVES

The jacket has strong lines that are softened with raglan sleeves. To achieve the right shape, an oval shoulder pad runs along the shoulder and into each sleeve.

### ◁ FASTENINGS

The jacket closes via three fabric-covered press-studs that run down the centre front; below the fastenings the jacket flares into a soft V-shape.

### ◁ SIDE PANELS

Beautifully curved side panels accentuate the cinched-in waist at front and back. The shape is overtly female, implying that the wearer is conscious of her body.

### ◁ POCKETS

Taking his inspiration from the hourglass silhouettes and corsets of the 19th century, Mugler added two welt pockets just below the waist, styling them to curve with the natural shape of the hips. Topstitching lends sophisticated decorative detail.
